NOTES:

1. This Price List applies to citizens of the Republic of Kazakhstan enrolling in doctoral degree programmes on a tuition-fee basis in the 2026–2027 academic year.
2. The tuition fee established by this Price List is the fee for one academic year of study under the relevant doctoral degree programme.
3. The procedure and deadlines for tuition payment are determined by the educational services agreement, the University's internal regulations, and the legislation of the Republic of Kazakhstan.
4. The educational process and the formation of academic groups (streams) for individual courses are organized by the University taking into account actual enrolment results, the number of students, the content of the educational programmes, staffing capacity, and the University's organizational capabilities, provided that the requirements of the relevant educational programmes, the required number of academic credits, and the intended learning outcomes are maintained.
5. The cost of retaking courses (modules) in cases requiring repeated completion of the course curriculum, the cost of taking additional courses (modules) and academic credits to eliminate academic differences, as well as the cost of other additional educational services provided on a tuition-fee basis, shall be determined by separate price lists and/or internal regulations of the University in accordance with the legislation of the Republic of Kazakhstan and the University's Academic Policy.
