#### NOTES

1. This Price List shall apply to citizens of the Republic of Kazakhstan admitted on a fee-paying basis to bachelor's degree educational programmes on the basis of technical and vocational or post-secondary education obtained in the Republic of Kazakhstan for the 2026–2027 academic year.
2. Tuition fees are established for one academic year.
3. The standard duration of study for each educational programme is determined by the approved curriculum of the respective educational programme and is specified in this Price List.
4. The reduced duration of study is based on the recognition (credit transfer) of learning outcomes acquired through technical and vocational or post-secondary education obtained in the Republic of Kazakhstan, in accordance with the legislation of the Republic of Kazakhstan and the University's internal regulatory documents.
5. For Educational Programme 6B04101 "International Business", the standard duration of study is 2 years in accordance with the approved curriculum developed for applicants admitted on the basis of technical and vocational or post-secondary education obtained in the Republic of Kazakhstan.
6. Where academic deficiencies are identified following the recognition of prior formal learning, the required courses shall be completed in accordance with the legislation of the Republic of Kazakhstan and the University's internal regulatory documents.
7. Language tracks, first and second foreign languages, academic groups (cohorts), and individual learning pathways shall be determined and organized by the University taking into account admission results, the recognition of prior formal learning, the availability of academic staff, the minimum number of enrolled students, and the University's organizational capacity.
8. Admission, study, transfer, reinstatement, tuition fee payment, and other conditions governing the provision of educational services shall be carried out in accordance with the legislation of the Republic of Kazakhstan, the Admission Rules of JSC "Kazakh Ablai Khan University of International Relations and World Languages", the University's Academic Policy, other internal regulatory documents of the University, and the Educational Services Agreement.
9. The minimum UNT threshold score is established in accordance with the Standard Admission Rules and the Admission Rules of JSC "Kazakh Ablai Khan University of International Relations and World Languages" effective at the time of admission. Should these requirements be amended, the applicable provisions of the legislation of the Republic of Kazakhstan and the University's Admission Rules shall prevail.
10. This Price List applies exclusively to applicants admitted on the basis of technical and vocational or post-secondary education obtained in the Republic of Kazakhstan and does not apply to applicants holding technical and vocational or post-secondary qualifications awarded by foreign educational institutions. For such applicants, the duration of study, the conditions for completing the educational programme, and the extent of recognition of prior formal learning shall be determined in accordance with the legislation of the Republic of Kazakhstan and the University's internal regulatory documents.
